State Level Orientation Workshop for Resource Persons on 25th National Children's Science Congress 2017

Telangana State Council of Science & Technology (TSCOST) is organizing the 25th National Children's Science Congress (NCSC) in Telangana State as per the schedule of Department of Science & Technology, Govt. of India with the participation of School Going / Dropout Students in the age group of 10 – 17 years to inculcate Scientific Temper and to orient the students towards research activities through "Learning by Doing Scientific Projects".

In tune with the Department of Science & Technology (DST), Govt. of India guidelines, TSCOST organized the State Level Training Workshop for Resource Teachers on NCSC on 7-7-2017 at Jeevan Jyothi Institute, Begumpet, Hyderabad.

The objective of the workshop is to sensitize the NCSC fraternity about the salient features of the focal theme of 25th NCSC-2017 as well as organizational aspects and guidelines of NCSC.

Smt. G. Krishnaveni, Member Secretary, TSCOST, Government of Telangana & State Coordinator for NCSC, participating as the Chief Guest, informed that the Govt. of India declared "**Science, Technology & Innovation for Sustainable Development – With Special emphasis on Accessibility for Persons with Disability**" as focal theme of 25th NCSC 2017. Smt. G. Krishnaveni, Member Secretary, TSCOST advised the NCSC District Coordinators and District Academic Coordinators of the state to guide the teachers, students and the school dropouts to prepare innovative projects based on the focal theme so that the students would imbibe scientific attitude from their childhood.

Dr. S. Suresh Babu, Professor, SCERT, Govt, of Telangana participating as the Honorary Guest, stressed on the need for increasing the reach, orientation, mentoring and refining activities related to NCSC projects so that the students would be motivated towards undertaking research activities from the beginning of their academic careers.

Dr. Chand Pasha, State Academic Coordinator for NCSC & Head of Microbiology Department, Nizam College, Hyderabad & Dr. A. Nageswara Rao, Assistant Professor, Department of Zoology Osmania University, Hyderabad participated as the Guest Speakers and trained the District Level NCSC Coordinators and Academic Coordinators on various facets of preparation of NCSC projects with specific reference to the focal theme.

Sri. E. Malla Reddy, Chairman, Condor Shrine I School, Hayathnagar, Hyderabad expressed his willingness about hosting the 25th NCSC 2017 State Level Event in their Institution and said that such programs would propel India towards the next level on par with developed nations.

TSCOST officers, NCSC functionaries such as District Coordinators, District Academic Coordinators and Resource Persons from all over the state have participated in the above Workshop.
