**MEMBER SECRETARY**

## ABOUT TSCOST

TSCOST acts as the focal point for formulation, planning, coordination, and promotion of S&T activities and help in preparing State S&T plans, compilation, and dissemination of S&T information and popularization of Science.

## THRUST AREAS

The programs/projects of TSCOST are oriented into the following Focus Areas.

- Facilitation for Registration of Patents, Copy Rights & Geographical Indicators (GIs) generated in the State for protection of Intellectual Property Rights (IPR)
- Transfer of Technologies from Central R&D Institutions to the State Institutions for societal applications
- Coordination with Universities to assess the research work and to provide Central / State funding tie-ups such as Young Scientist Fellowship and Research Grants etc.,
- Popularization of Science, Skill Development Activities for the benefit of Students / unemployed youth.

## Patent Information Centre (PIC)

The Department of Science & Technology (DST), Govt. of India sponsored the Patent Information Centre (PIC) for the year 2022-23.

PIC shall organize awareness and orientation programmes on Intellectual Property Rights (IPR), extends facilitation services for Patents, Copyrights, Trademarks, Industrial Designs, Geographical Indicators etc to the stakeholders. Further, the PIC extends support for establishment of IPR Cells to Universities for organizing IPR related activities.

The Manpower supported by DST, Gol shall be responsible for taking forward the objectives of PIC. Based on the performance, the DST extends the tenure of PIC.

## Assistance to S&T Secretariat of State S&T Councils

DST, Gol sanctioned and released the grants to S&T Secretariat to TSCOST for the year 2022-23. S&T Secretariat is responsible to formulate S&T Projects, Programs for the benefit of the State and will implement the S&T Projects and Programs supported by DST, Gol and State Government and other Departments / Ministries of Govt. of India.

The Manpower supported by DST, GoI under this scheme shall be responsible for taking forward the objectives/ Thrust Areas of State S&T Councils. Based on the performance, the DST extends the tenure.
